CRITERION II - TEACHING-LEARNING AND EVALUATION

Student Performance and Learning Outcomes

Attainment of Programme outcomes and course outcomes are evaluated by the institution

Our Institute is affiliated to Savitribai Phule Pune University, Pune. We offered Under Graduate, Post Graduate under the Faculty of Arts, Commerce and Science, BBA, BBA (CA). For these programs and courses, the institute followed the curriculum designed by our affiliated university. The Programme outcomes, Programme specific outcomes and course outcomes are evaluated by the institution and the same are communicated to the students in the formal way of the discussion in the classroom and departmental notice board. After measuring attainment of POs , PSOs and COs, it has been observed that the strength of the students as well as passing percentage of the students is increasing progressively. Besides, students' progression to the higher studies that is from Under Graduate to Post Graduate seems to be increasing consistently and rapidly in the last five years. We took utmost care of measuring the level of attainment of POs, PSOs and COs and followed formal as well as informal mechanism for the measurement of attainment of the outcomes. Subsequently, the College took care of the attainment to measure the POs, PSOs and COs and implemented the mechanism.

Program outcome Course outcome evaluated by institute

Evaluation Report by Principal

The course outcome is measured through Syllabus, Completion of syllabus, continuous internal evaluation.

At the departmental level the Heads of the department & the teachers who are engaged in class strive to complete the course in time & in Some Cases extra classed are conducted for the students who they identify as relatively average. The 75 percent of Compulsory attendance is mandatory in daily classes. The continuous evaluation is done through tests, quizzed, written assignments, presentation of papers, oral presentation, and field work. The institute has also utilized student satisfaction survey developed by NAAC. Our institute used this to seek feedback on its own for measuring the attainment of the course and program outcomes.

This is shared through institution's web-page to all stake Holders so that they remain informed of the virtues and shortcoming in teaching learning and accomplishment.
